Dear [Recipient]:

Hello my name is Zain Kergaye, I am a student at the Academy for Math, Engineering, and Science. I work as a referee for impact united. I am interested in this position because I have a profound interest in [stuff].

My skills for this job include problem solving, fast thinking, general knowledge in the field. Experimenting with electronics is a hobby of mine, I have a lot of experience and that relates directly back into the job that I am applying for.

Thank for considering this job offer, I am excited to hear back from you!

Sincerely,

Zain Kergaye
